

Thank you for your help with my Gold Award project. This task would not have been such a success without you. I was only a small part of it organizing the resources to do something good for the community and the children of our neighborhood. We accomplished this goal together. It is the involvement and participation of people like you that make projects like this come to life.

Thank you all - Anna Herold

Project Possible Thanks to Generosity of:
United States Steel Corporation
Stone & Company
Lowe's Home Improvements
James J. Connolly Dentistry
Beacon Supply Company, Inc.
New Belle Construction, Inc.
Lee Supply Company
MarBill Diamonds & Jewelry
Vocelli Pizza
Hillcrest Builders
Essey's Tire & Wheel
McDonald's
